“Attitude is a choice. Happiness is a choice. Optimism is a choice. Kindness is a choice. Giving is a choice. Respect is a choice. Whatever choice you make makes you. Choose wisely.”
 Roy T. Bennett

Dear Donor,

Giving changes our world. This is your opportunity to contribute to change.

Active Lives After School (ALAS) Dufferin is a grass roots, parent founded, registered charity that serves adults with developmental disABILITIES who have finished their high school programs. Our day program includes therapeutic and recreational programming. As we build our community impact, develop deep life changing relationships and support local families; the attitude we are implementing is: “day programming that gives back.” One of our parents so profoundly captures this sentiment by sharing a story about how one day, as she tried to complete a task for her disABLED son, he walked away from her muttering – “I just want to be useful.” He was able to express this for himself, but some of the participants at ALAS cannot speak to their desires for a meaningful and purpose filled life.

We are here to change that, and you can help.

Our **THIRD Annual Car Rally, Dinner and Dance** is being held on **Saturday, October 20th, 2018** and is a fun, community building event that brings people together to support the mission of ALAS Dufferin. This fundraiser includes a Car Rally that has at least 4 routes travelling through beautiful Dufferin county, and encourages the spirit of healthy competition with prizes for the winners! Following the Car Rally there is a dinner and dance that will take place at Monora Park Pavilion in Orangeville. The silent auction is an enormous success every year.

We are asking if you would be willing to provide us with a silent auction donation to our event. This year we are raising funds for our **Active Lives = Active Giving campaign and more**, which enables our participants and staff to contribute to numerous volunteering projects. We have partnered with a variety of other local non-profits to give back to our community with activities like: Meals on Wheels, The Restore, The Orangeville Public Library, Island Lake Conservation Area and more. Your dollars not only support the Car Rally Event, they support the quest for meaningful lives that every person in our community deserves. If you have any product, memberships or services that you would like to donate to ALAS Dufferin, we would be very appreciative. All that is required is the value of your donation and company information for donor acknowledgements. As a donor organization, your name and logo will be posted at the dinner/dance venue and on our website for one year. Attached is a brief silent auction donation form.

Please note that 100% of all donations and fundraising proceeds go directly towards the ALAS Dufferin program.
